Written comments must be based on all reasonably available information and include, to the extent practicable, all referenced factual materials. Documents in the administrative record need not be resubmitted if expressly referenced by the commenter. Requests for a public hearing shall provide: (1) a clear and concise factual statement of the nature and scope of the interest of the person requesting the hearing; (2) the name and address of all persons whom the requestor represents; (3) a statement of any objections to the draft Permit, including specific references to any Permit conditions being addressed; and (4) a statement of the issues which the commenter proposes to raise for consideration at the hearing. Written comment and requests for Public Hearing must be filed with Mr. John Kielling on or before **5:00 p.m. MST, January 11, 2008**. NMED will provide a thirty (30) day notice of a public hearing, if granted.

NMED must ensure that the approved draft Permit is consistent with the New Mexico Hazardous Waste Management Regulations (20.4.1 NMAC). All written comments submitted on the draft Permit will be considered in formulating a final decision and may cause the draft Permit to be modified. NMED will respond in writing to all public comments. NMED's response will specify which provision, if any, of the draft Permit have been changed in the final Permit decision, the reasons for the change, and briefly describe and respond to all public comments on the draft Permit or the Permit application raised during the public comment period.
