Dear Mr. Bearzi and Mr. Cobrain:

As instructed by Mr. David Cobrain, the edited version of the Corrective Action Order has been transmitted to Ms. Darlene Goering, of your staff. The CD ROM that was provided to Ms. Goering, contains two files, one with a redline/strikeout version, and one with the final Corrective Action Order. The redline/strikeout version is being provided so your staff can evaluate the modifications which were made by TechLaw. Please note we did not paginate the final version since the printers used at NMED will be different from what TechLaw uses.

During our review, we noticed in Table IV.A5-1, that there were some informational "blanks" in column 3. We were not able to address these data gaps, so you may wish to have NMED staff re-visit this Table.

If you have any questions, please feel free to contact Ms. June Dreith at (303) 763-7188.

Sincerely,

June K. Dreith
Program Manager
