Mr. Ron Curry, Secretary  
New Mexico Environment Department  
1900 St. Francis Dr.  
Santa Fe, New Mexico 87501

Dear Mr. Curry:

Subject: Delegation of "Duly Authorized Representatives"

It was nice meeting you in person and I really appreciate you spending so much of your valuable time to get acquainted. As part of picking up my duties as the new Manager of the Los Alamos Site Office, I am reconfirming the delegations of our duly authorized representatives; previous delegation was transmitted to your office in correspondence dated July 10, 2007.

I will remain the signatory for permit and compliance programs regulated under the New Mexico Hazardous Waste Act, the New Mexico Water Quality Act, and the New Mexico Water Quality Control Commission Regulations. I am delegating authority to sign the reports required by permits and other information requested by the New Mexico Environment Department to the Assistant Manager for Environmental Projects Office, Mr. George Rael. Additionally, in order to ensure prompt submittals to your office, I am also delegating authority to the Supervisory Federal Project Director for Environmental Remediation Projects, Mr. David Rhodes and the Environmental Permitting Manager, Mr. Gene Turner. These renewed delegations are established internally to maintain efficient operations with the State of New Mexico.

Respectfully,

Kevin W. Smith  
Manager
