**RE: SUPPLEMENTAL RCRA PERMIT FEES LOS ALAMOS NATIONAL LABORATORY
EPA ID# NM0890010515**

Dear Messrs. Winchell and Anastasio:

The New Mexico Environment Department Hazardous Waste Bureau (HWB) respectfully submits the attached information pertaining to supplemental permit fees to augment the Hazardous Waste Bureau's Los Alamos National Laboratory (LANL) staff. The Bureau has compiled a detailed listing of expenditures from State Fiscal Year 2009, including FY09 back-up of actual expenditures, a listing of the types of documents reviewed, the number and review hours for FY09, and an invoice for additional supplemental fees to fund bureau activities through State Fiscal Year 2010 (FY10).

Due to an increased level of effort for the bureau, beginning FY10, HWB will labor allocate 30% of the bureau chief and 10% of the financial manager positions time against the supplemental fee agreement.

This Fee Agreement will allow the New Mexico Environment Department to timely act on regulatory issues for the LANL facility and, if paid within 60 days of receipt, the facility's Annual Permit Fee will be credited against attached invoice. If payment is not received within 60 days of receipt, then the facility's Annual Permit Fee will also need to be paid in full and HWB will reflect payments in all future Fee Agreement Invoices.

Messrs. Winchell and Anastasio
