**Subject:** Upcoming Correspondence Telecons

Dear Dave - due to my time constraints I am having difficulty keeping up with the number of correspondence telecons that are being scheduled. For that reason, I have asked Ms. Cheryl Rodriquez to attend future telecons on my behalf. Ms. Rodriquez is more intimately knowledgeable with issues associated with these correspondences and will be empowered to represent me and act on my behalf during these calls.

Thanks again for initiating this process. I find the advance information to be extremely valuable and representative of the positive relationship that exists between our respective organizations.

Best regards -

Pete
