**Hazardous Waste Facility Permit Community Relations Plan is available year-round for comments**

Los Alamos National Laboratory revises our Hazardous Waste Community Relations Plan annually in compliance with our **Hazardous Waste Facility Permit (EPA ID No. NM0890010515)**. The website is available year round and we revise the plan in August to include necessary changes and comments we have received during the year. We welcome your comments which can be provided online via the Plan Comments Form.

**The updated Hazardous Waste Facility Permit Community Relations Plan and responses to comments will be posted on September 1, 2013.**

You may also print the attached form and mail your comments to:

Hazardous Waste Facility Permit Draft Community Relations Plan  
Comment/Suggestion Form

**Instructions for completing the form:**

Please reference the section in the draft plan that your comments and suggestions address. *Example:* Section 1.0. General comments are also useful to plan development. Please include ideas for implementation of your suggestion, and your contact information for further discussion. **Public comments and suggestions will be received by the Permittees through September 20, 2012**, to allow sufficient time for consultation with members of the public, plan development, finalization and implementation.

First name  Last name

Email address, phone number or New Mexico Address

**Your comments:**

The Permittees are required to document consultations, communications, agreements and disagreements between the Permittees and the public in developing the Community Relations Plan.

Each year the Permittees will compile and post public comments, statements, agreements and disagreements on the Community Relations Plan web page. The Permittees will not post comments and suggestions to the Community Relations Plan web page without the written consent of the contributor.

If you choose to have your comments and suggestions posted, you can provide your written consent by checking the "Yes" box and include your contact information. If you do not want your comments posted, check "no." If you don't check any box, we will assume you do not want your comments posted.
