**RE: FEE ASSESSMENT  
CLASS 1 MODIFICATION TO THE LOS ALAMOS NATIONAL LABORATORY  
HAZARDOUS WASTE PERMIT  
EPA ID #NM0890010515  
HWB-LANL-16-019**

Dear Ms. Davis Lebak and Mr. Brandt:

The New Mexico Environment Department (Department) received the Department of Energy and Los Alamos National Security, LLC, (collectively, the Permittees) *Notification of Class 1 Modification to the Los Alamos National Laboratory (LANL) Hazardous Waste Facility Permit* (Permit) dated April 25, 2016 and referenced by EPC-DO-16-092 and LA-UR-16-22292. The request provides modifications to Permit Attachment D and Attachment F. The Department has reviewed the submittal under the conditions specified in 20.4.1.900 NMAC (incorporating 40 CFR §270.42(a)(1)). NMED recently incorporated this Class 1 modification without prior approval into the LANL Permit. An electronic version of the Permit that incorporates the modifications is enclosed with this letter.

The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.F NMAC require the assessment of fees. Payment is normally due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. However, because NMED currently maintains a supplemental fee agreement with the Permittees for State

37580

Ms. Davis Lebak and Mr. Brandt:

fiscal year 2016, and the Permittees transmitted payment of these fees, the fee invoice has been effectively paid under these supplemental fees.

If you have any questions regarding this correspondence, please contact Siona Briley of my staff at 505-476-6049.

Sincerely,

John E. Kieling

Chief

Hazardous Waste Bureau
