Report

Dear Mr. Davis:

Enclosed is the requisite Semiannual Polychlorinated Biphenyl (PCB) Disposal and Monitoring Report for Los Alamos National Laboratory (Laboratory). Conditon 6., of the Environmental Protection Agency's June 5, 1980, approval to dispose of PCB articles in the Laboratory's chemical waste landfill requires semiannual reporting.

If you have any questions concerning this report, please call James Phoenix of my staff at (FTS) 843-5288.

Sincerely,

Harold E. Valencia
Area Manager
