Re: Monthly Reports
Los Alamos National Laboratory
NM0890010515

Dear Mr. Taylor:

The Environmental Protection Agency (EPA) has been reviewing copies of the Environmental Restoration Monthly Executive Summaries and Milestones Reports as provided. The most recent monthly received for the month of September did not contain the Executive Summary pages, only the Milestone Report. EPA would like to see the Executive Summary portion which includes text on program accomplishments, technical status and HQ milestones included in the next monthly.

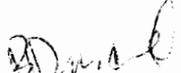

"A" ADDED TO ORIGINAL

In addition, while there is not a time-frame for submittal of the Quarterly and Monthly Reports in the permit, typically these reports should be submitted within 45 days of the end of the month or quarter.

Should you have any questions, please contact Barbara Driscoll at 9214) 655-7441.

Sincerely,

David Neleigh, Section Chief
