SUBJECT: REVISION OF PAGE 3 OF THE ENVIRONMENTAL RESTORATION PROJECT'S QUARTERLY REPORT

Dear Mr. Garcia:

Please find enclosed a revision of page 3 of our most recent quarterly report. It is unfortunate that the words used in the short paragraph on the soil from potential release site 0-016 do not reflect today's reality. At this time, the author thought that negotiations had already been completed which, of course, was not the case.

I apologize for this oversight. Our Ted Norris, who compiles and reviews the report, did not catch this misunderstanding because he was not intimately involved in the whole issue.

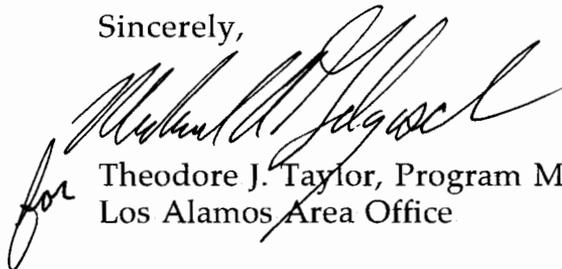

In summary, it certainly was not our intention to present a fact what was still being deliberated. It was simply an oversight that remained undetected.

A revised page 3 will be sent to all parties receiving the ER Project's quarterly report.

Sincerely,

Jorg Jansen, Project Manager
Environmental Restoration

Sincerely,

Theodore J. Taylor, Program Manager
Los Alamos Area Office
