Re: RFI Report on Aggregate 0-G, Operable Unit 1071
Los Alamos National Laboratory NM0890010515

Dear Mr. Taylor:

The Environmental Protection Agency (EPA) has reviewed the RCRA Facility Investigation (RFI) Report received May 25, 1993, for Aggregate 0-G in Operable Unit 1071. The Solid Waste Management Units (SWMUs) listed in the report, 0-029(a-c) do not require any additional investigation, and do not need to be added to the HSWA portion of the RCRA permit.

Should you have any questions, please feel free to contact Mrs. Barbara Driscoll of my staff at (214) 665-7441.

Sincerely,

for *William K. Honker*

William K. Honker, P.E., Chief
