Re: Extension request for Los Alamos Canyon and Pueblo Canyon
Work Plans

Dear Mr. Taylor:

The Environmental Protection Agency (EPA) has reviewed your request and grants an extension on the draft work plan for Los Alamos Canyon and Pueblo Canyon from May 23, 1995 to September 29, 1995.

EPA would like to be informed how you will gain stakeholder involvement in this process, and who you will be contacting. EPA recommends that the New Mexico Environment Department is consulted during preparation of draft documents to ensure these canyon systems are being addressed as integrated units.

Should you have any questions, please feel free to contact Ms. Barbara Driscoll at (214) 665-7441.

Sincerely,

William K. Honker, P.E.
