SUBJECT: REQUEST FOR EXTENSION AND MEETING FOR SUPPLEMENTAL INFORMATION FOR FU 1 (FORMER OUs 1071 AND 1078)

Dear Mr. Garcia:

The Los Alamos National Laboratory's Environmental Restoration Project received several requests for supplemental information in late September 1997. We would like to request an extension for providing the supplemental information for Potential Release Sites (PRSs) 0-030(l,m), 0-033(a), 1-003(d), and Aggregates A, B, H, I, and J, in Technical Area 1. In addition, the response for PRS 1-003(f) is straightforward; however, we would like to request a meeting with your staff to tour the site so our response will be taken in the proper context.
