SUBJECT: UPDATE TO REFERENCE SET FOR CANYONS

The enclosed materials are an update to Reference Set for Canyons of the Los Alamos National Laboratory Environmental Restoration Project Reference Library. The enclosed materials include revised tables of contents for Volumes 2, 6, and 9 and tabbed references (ER IDs 7530, 51962, 57916, and 59165). These references correspond to "Response to Request for Supplemental Information for Work Plan for Mortandad Canyon, Los Alamos National Laboratory (LANL), NM0890010515," which is being submitted concurrently.

To update the Reference Set for Canyons, remove the old tables of contents pages (dated September 1998) from Volumes 2, 6, and 9 and replace them with the enclosed revised tables of contents pages (dated February 26, 1999). Insert the enclosed tabs and references in proper numerical sequence.

If you have questions regarding these instructions, please contact Marge Boettner at 505-667-3131.
