Dear Mr. Taylor:

**SUBJECT: REQUEST FOR APPROVAL TO BEGIN OPERABLE UNIT (OU)
1071 VOLUNTARY CORRECTIVE ACTION AT FORMER SMALL
ARMS RANGE**

Request that permission be given to conduct voluntary corrective action at former small arms range (solid waste management unit 0-016). The Environmental Protection Agency, and New Mexico Environment Department verbally approved the project at the May 1993 Environmental Restoration Program monthly meeting with these agencies. The attendees at the meeting were all provided a summary page that describes the soil washing process to be used at the site and the overall operation.

This will be funded from the Fiscal Year 94 allocation for OU 1071.

Sincerely,

Jim Aldrich
Programmatic Project Leader
