These references correspond to the Status Report for PRS 0-030(g), the Revised VCA Completion Report for PRS 0-016, the Revised Status Report for PRS 0-030(g), the Sampling and Analysis Plan for PRS 0-030(g), the VCA Plan for PRS 0-019, and the RFI Report for PRS 0-017 which have already been submitted.

To update the Reference Set for OU 1071, remove the old Table of Contents pages from Volumes 1 through 6.

Volume 1 now will be split into three parts. Remove the cover and spine from Volume 1 and replace it with the cover and spine labeled Volume 1A from the "Volume 1A Packet". Remove the tabs and references from 09708 through 45344. Insert the enclosed table of contents and the tabbed references in the proper numerical sequence. A new Volume 1B binder is provided and comes with its new cover, spine, table of contents, and tabbed references. You need only insert the tabbed reference #09708 (one you removed from Volume 1) in the proper numerical sequence. A new Volume 1C binder is also provided and comes with its new cover, spine, table of contents, and tabbed references. Please insert the remaining three tabbed references removed from Volume 1 (28310, 36692, and 45344) in the proper numerical sequence.

Volume 2 now will be split into two parts. Remove the cover and spine from Volume 2 and replace it with the cover and spine labeled Volume 2A from the "Volume 2A Packet". Remove the tabs and references from 53011 through 55599. Insert the enclosed table of contents and the tabbed references in the proper numerical sequence. A new Volume 2B binder is provided and comes with its new cover, spine, table of contents, and tabbed references. Please insert

the tabbed references removed from Volume 2 (53011, 54709, 55115, 55594, and 55599) into Volume 2B in the proper numerical sequence.

Volume 3 now will be split into two parts. Remove the cover and spine from Volume 3 and replace it with the cover and spine labeled Volume 3A from the "Volume 3A Packet". Remove the tabs and references from 58919 through 59066. Insert the enclosed table of contents and the tabbed references in the proper numerical sequence. A new Volume 3B binder is provided and comes with its new cover, spine, table of contents, and tabbed references. Please insert the tabbed references removed from Volume 3 into Volume 3B in the proper numerical sequence. Reference 59062 is included since I found it missing from my original set. Please discard is not needed in your set.

Volume 4 – Please remove the old cover and spine from Volume 4 and replace it with the new ones provided in the "Volume 4 Packet". Insert the new table of contents and the tabbed reference 59097 in the proper numerical sequence.

Volume 5 now will be split into two parts. Remove the cover and spine from Volume 5 and replace it with the cover and spine labeled Volume 5A from the "Volume 5A Packet". Remove the tabs and references from 59263 through 59368. Insert the enclosed table of contents and the tabbed references in the proper numerical sequence. A new Volume 5B binder is provided and comes with its new cover, spine, table of contents, and tabbed references. Please insert the tabbed references removed from Volume 5 into Volume 5B in the proper numerical sequence.

Volume 6 now will be split into two parts. Remove the cover and spine from Volume 6 and replace it with the cover and spine labeled Volume 6A from the "Volume 6A Packet". Remove the tabs and references from 59983 through 59989. Insert the enclosed table of contents and the tabbed references in the proper numerical sequence. A new Volume 6B binder is provided and comes

with its new cover, spine, table of contents, and tabbed references. Please insert the tabbed references removed from Volume 6 into Volume 6B in the proper numerical sequence.
