RE: NOTICE OF ADMINISTRATIVE COMPLETENESS
PERMIT MODIFICATION REQUEST FOR NO FURTHER ACTION
LOS ALAMOS NATIONAL LABORATORY (LANL) NM0890010515
HRMB-LANL-02-022

Dear Messrs. Erickson and Nanos:

The New Mexico Environment Department (NMED) has determined that the no further action (NFA) petition entitled "Los Alamos National Laboratory Permit Modification Request, September 2002" (referenced by ER2002-0683), submitted on September 30, 2002, is administratively complete. This modification requested no further action (NFA) status for nine (9) solid waste management units (SWMUs) from Tables A, and B of the Module VIII of LANL's Resource Conservation and Recovery Act (RCRA) permit.

NMED has reviewed the document and at this time, intends to approve NFA status for seven (7) SWMUs (see attachment). The remaining two SWMUs need additional consideration. NMED is intending to public notice the intent to approve NFA for the seven SWMUs in June.

The New Mexico Hazardous Waste Management Fee Regulations 20 NMAC 4.2 require assessment of fees when administrative review of a document is complete. NMED will issue an invoice to you under a separate letter. Payment is due within sixty (60) calendar days from the date that you receive the invoice. If fees are transmitted electronically, you must submit a letter to Cindy Abeyta, Hazardous Waste Bureau, indicating the invoice number, payment amount, date
