Subject: Summary of North Canyons Phase I Sediment Investigation Report, request for additional information

Danny,

Per your request, after our phone conversation today, Tuesday, March 20, 2007 I have bulleted below the additional information needed to finalize review of the *Summary of North Canyons Phase I Sediment Investigation Report* dated March 5, 2007 and received by March 12, 2007.

Requested additional information:

- 1) Geomorphology map depicting sampling points
- 2) Revised Section 7 Table for the North Canyon Work Plan (This was also requested in the NOD for the Work Plan, dated May 12, 2005)

Please subject this information as part of the resubmittal of the *Summary of North Canyons Phase I Sediment Investigation Report*.

If you should have any questions, please do not hesitate to contact me at (505) 476-6043.

Sincerely,

JENNIFER PAZERA
