Becky,  
Here is the missing Figure. I also left you a voicemail today. Sorry about that. I think Darlene told you you have 30 days from the day you receive the figure. So, the response to the NOD will be due 30 days from today (4/3/06). Let me know if you have any questions. I will contact Mark regarding Middle LA in the future.

Thanks Becky,

Katie

Katie,

I spoke with Becky this morning and was informed that the figure that should have been attached to the NOD was not. Therefore, because it's a mistake on our part for not furnishing a complete NOD, we will give her another 30 days to respond when she receives the figure.

Thanks

Darlene
