Santa Fe, NM 87505-6303

**Subject: Request for Extension to Submit the Investigation Report for Twomile Canyon
Aggregate Area**

Dear Mr. Kieling:

This letter requests an extension from the August 30, 2014, date to submit the Investigation Report for Twomile Canyon Aggregate Area to a new date of December 31, 2014. The U.S. Department of Energy and Los Alamos National Security, LLC, (DOE/LANS) request this extension under Section III.J.2 of the March 2005 Compliance Order on Consent.

This new date is the result of the impacts of sequestration-level funding for the first part of fiscal year (FY) 2014 and the additional prioritized work scope associated with the funding provided in the final FY2014 appropriation.

Per discussions with the New Mexico Environment Department (NMED), DOE/LANS are requesting an extension only until December 31, 2014. DOE/LANS anticipate that before December 31, 2014, an additional extension request will be submitted with a revised date based on NMED priorities, funding constraints, and adequate time to complete the work.

If you have any questions, please contact Kent Rich at (505) 665-4272 (krich@lanl.gov) or Woody Woodworth at (505) 665-5820 (lance.woodworth@nnsa.doe.gov).

Sincerely,

Jeff Mousseau, Associate Director
Environmental Programs
Los Alamos National Laboratory

Sincerely,

Peter Maggiore, Assistant Manager
Environmental Projects Office
Los Alamos Field Office
