Re: Submittal of 1994 and 1995 Environmental Surveillance
surface water data (on-site), Los Alamos National
Laboratory (LANL), Los Alamos, New Mexico

Dear Mr. Trujillo:

The New Mexico Environment Department (NMED) Department of
Energy Oversight Bureau (DOE OB) personnel performed surface
water sampling and habitat assessment during 1994 and 1995 at
LANL (on-site), in Upper Pajarito canyon, Starmer's Gulch,
Bulldog Gulch and Cañon de Valle. The preliminary data (see
attachment) are being submitted for your thirty-day review as
stated in the Agreement-in-Principle Umbrella Protocol. After
DOE has had the opportunity to review and comment on the data,
it will be released to interested parties within thirty (30)
days of receipt of this letter.

Contact Ralph Ford-Schmid at 827-1536 if you have any
questions regarding this matter.

Sincerely,

Stephen Yanicak

Steve Yanicak,
Point of Contact/LANL,
NMED, DOE OB
