**SUBJECT: EXTENSION REQUEST FOR SUPPLEMENTAL INFORMATION (RSI)
RESPONSE FOR RESOURCE CONSERVATION AND RECOVERY ACT
(RCRA) FACILITY INVESTIGATION (RFI) REPORT ADDENUM FOR
SOLID WASTE MANAGEMENT UNIT (SWMU) 3-010(a)**

Dear Mr. Young:

The Los Alamos National Laboratory (LANL) Environmental Restoration (ER) Project is requesting a 60-day extension to respond to the RSI for the RFI Report Addendum for SWMU 3-010(a) (ER2000-0553). The ER Project Office received the RSI on October 25, 2001. This extension is requested because the main technical contact for the site will not be available during the time that the response needs to be formulated. Also, LANL would like additional time to have discussions with NMED-HWB personnel about options and/or alternatives for the characterization of groundwater at the site.

If you have any questions, please contact Gabriela Lopez Escobedo at (505) 665-7352 or David Gregory at (505) 667-5808.

Sincerely,

Julie A. Canepa, Program Manager
Environmental Restoration Project
Los Alamos National Laboratory

Sincerely,

Mat Johansen, Project Manager
