**SUBJECT: RESPONSE TO REQUEST FOR SUPPLEMENTAL INFORMATION (RSI) ON THE WORK PLAN FOR SANDIA CANYON AND CAÑADA DEL BUEY (SEPTEMBER 1999, LA-UR-99-3610).**

Dear Ms. Goering:

We have received your RSI on the Work Plan for Sandia Canyon and Cañada del Buey (September 1999, LA-UR-99-3610). You requested that Los Alamos National Laboratory respond within forty-five days of the receipt of this letter (letter received on May 20, 2003). We are requesting a sixty-day extension for a formal response to this RSI to September 2, 2003. This extension would allow us time to bring together key members of the original work plan team to have one or more meetings with you prior to formal submission and to allow the revised document to be internally edited, composited, and reviewed.

Please let us know if this extension is acceptable to the Hazardous Waste Bureau.

Sincerely,

David McInroy, Acting Program Manager  
Remediation Program  
Los Alamos National Laboratory

Sincerely,

David Gregory, Project Manager  
Department of Energy  
Los Alamos Site Operations
