SUBJECT: PROPOSED STIPULATED PENALTY LIST EQUIVALENCY

Dear Mr. Bearzi:

This letter serves to document our conversations of last week pertaining to our proposal to submit an "Addendum to the Work Plan for the Sandia Canyon and Canada del Buey Work Plan (LA-UR-99-3610)" in lieu of "Chromium Contamination in Regional Well R-28 Groundwater Phase II Work Plan" that is listed as Deliverable #5 in the "Consent Order Stipulated Penalty Documents for Federal Fiscal Year 2007". This addendum captures the work that NMED has directed pertaining to chromium contamination in groundwater. The addendum approach and format is that which we've discussed and submitted to you for review, and that you approved in your email dated January 5, 2007.

Sincerely,

Andrew Phelps, Associate Director
Environmental Programs
Los Alamos National Laboratory

Sincerely,

David Gregory, Federal Project Director
