TO: All Group and Division Leaders
FROM: M. E. Bradbury
SUBJECT: Disposal of Classified Scrap Material
SYMBOL: LAB-DIR

1757

Special facilities for the disposal of classified scrap material are available at Two Mile Mesa effective today for a period of two weeks.

You are requested to make a special effort to collect such classified scrap for this disposal in order that there may be as little criticism as possible of our field operations. The Associate Director's office may be contacted for details regarding transportation and disposal of this material.
