**Re: Required Submittal of RFI Reports  
Los Alamos National Laboratory (NM0890010515)**

Dear Mr. Taylor:

Enclosed is a list of solid waste management units (SWMUS) for which RCRA Facility Investigation (RFI) reports are overdue. The Environmental Protection Agency (EPA) has not received any requests for RFI report extensions for these SWMUs. EPA required submittal of these reports when the RFI work plans associated with these SWMUs were approved. The dates for RFI report submittals are enforceable dates under Module VIII of the Resource Conservation and Recovery Act permit for Los Alamos National Laboratory (LANL). Within thirty (30) days of the date of this letter, LANL shall submit a request for RFI report extensions, and provide an explanation why the required report dates were not met. In the same submittal, LANL shall also provide a list of the RFI reports which will be submitted to EPA for FY96. This list shall include the SWMUs which will be addressed in each RFI report.

Should you have any questions, please feel free to contact Ms. Barbara Driscoll at (214) 665-7441.

Sincerely,

*David W. Neleigh*
