RECEIVED

JUL 10 1996

LARS F. SOHOLT

Dear Mr. Todd:

The New Mexico Environment Department (NMED) Hazardous and Radioactive Materials Bureau (HRMB) has completed a review of DOE/LANL's request for an extension for submittal of the Resource Conservation and Recovery Act Facility Investigation Report (RFI Report) due May 31, 1996. Technical Areas (TAs) covered in this report are 6,7,8,9,22,40,58 and 62.

NMED's review considered timeliness of request, and the Technical Areas covered in the report. Review indicates that an extension of the submission date for this RFI Report until August 15, 1996 is reasonable.

Should you or your staff have any questions concerning this extension approval please contact myself or Robert S. (Stu) Dinwiddie of my staff at the above address or by telephone at (505) 827-1561.

Sincerely,

Barbara Hoditschek
