**Subject:** Correction: Extension Request for WP for Potrillo/Fence Canyons

Dave,

Per our telephone conversation on January 30, 2014, this email serves as notification of an inadvertent error in DOE/LANS's *Request for Extension to Submit the Work Plan for Additional Investigations in Potrillo and Fence Canyons Aggregate Area* letter, dated January 27, 2014 (EP2014-0034). The inadvertent error was the use of "Aggregate Area" in the subject line and the first sentence of the letter.

The subject line of the letter should read: "*Request for Extension to Submit the Work Plan for Additional Investigations in Potrillo and Fence Canyons ~~Aggregate Area~~*". Additionally, the first sentence of the letter should read, "This letter requests an extension from the February 15, 2014, date to submit the Work Plan for Additional Investigations in Potrillo and Fence Canyons ~~Aggregate Area~~ to new a date of June 30, 2014."

Again, DOE/LANS apologize for the unintentional error. We believe this email serves as documentation of the correction.

We look forward to your response.

Thanks,

Katie
