Subject: Bayo Canyon Aggregate Area

Remarks:

- 1) Specific comment #1: Affects from the townsite will be addressed in the North canyons WP + 00-011(d). This will be stated in the NOD response.
- 2) SWMU 10-006: LANL not sure where the site is, however, they will propose locations in the NOD response. If no detects, at least they have investigated.
- 3) 10-007: They will investigate (nature + extent of landfill material). This site will have to be evaluated after analytical results are in to decide on a remedy.
- 4) 10-009: The WP proposes removal. LANL must propose confirmatory sampling (#, locations, + suite) in the NOD response.

Action Required: NOD response will be submitted by Thanksgiving.
