Reference : Memorandum from R. L. Thrapp to C. A. Reynolds, dated February 11, 1970, same subject

The structures listed below are surplus to the needs of Group GMX-3 and most of them are contaminated with explosives. We propose the removal of the structures and restoration of the sites as soon as funds will permit. In accordance with advice from C. A. Reynolds, we request that steps necessary to secure authorization to retire the structures from capital records be taken now.
