Refer to: EM/ER:95-382

**SUBJECT: REQUEST FOR EXTENSION—RESOURCE CONSERVATION
AND RECOVERY ACT FACILITY INVESTIGATION (RFI)
REPORT [FIELD UNIT 2/TECHNICAL AREA (TA) 15]**

Dear Mr. Honker:

This is written notification that Field Unit 2 is unable to meet the RFI report deadline of July 30, 1995, for the following potential release sites: 15-004(a, b, c, f); 15-007(b); 15-008(a and b); 15-009(e and j); and 15-012(b). All of the analytical data have not been received, which has delayed the writing of this report. We are currently evaluating the data as they are received from the analytical laboratories and therefore, require additional time to complete the report.

We are proposing to submit the draft RFI report for Fiscal Year 1994 TA-15 field activities on December 29, 1995. This extension will provide us time to address the above-referenced issues.

Please refer any questions regarding this matter to our staff: T. E. Gene Gould at (505) 667-0402 or Everett Trollinger at (505) 667-5801.

Sincerely,

Jorg Jansen, Project Manager
Environmental Restoration

Sincerely,

Theodore J. Taylor, Program Manager
Los Alamos Area Office
