Mark,

This email serves as NMED approval for installation of regional aquifer well R-48 as proposed in the documents attached to your email that was received by NMED today (September 11, 2009 at 2:40 PM). This approval is based on the information available to NMED at the time of the approval. NMED understands that LANL will provide the results of preliminary sampling, any proposed modifications to the well design proposed in the above-mentioned email, and any additional information related to the installation of well R-48 as soon as such information becomes available. Thank you.

Michael Dale, NMED HWB

Subject: R-48 Proposed well design

Gentlemen,

Here is the proposed well design and discussion for R-48 that we discussed with Michael Dale yesterday. If this design is acceptable, please respond with your concurrence. If you wish to discuss further, please contact me at your earliest convenience.

Thanks,

Mark Everett, PG
