Subject: Request for Extension to Complete Reconfiguration and Submit Summary Reports for Wells CdV-16-4ip, CdV-R-15-3, and CdV-R-37-2

Dear Mr. Kieling:

This letter requests an extension from the June 30, 2013, date to reconfigure wells CdV-16-4ip, CdV-R-15-3, and CdV-R-37-2, and from the August 31, 2013, date to submit the summary reports for reconfiguration of these wells to a new date of September 30, 2013, for completion of the reconfiguration and submittal of the reports.

The U.S. Department of Energy (DOE) and Los Alamos National Security, LLC (LANS) request this extension as a result of the delay in receiving funding to perform this work. It was expected funding would be available on April 1, 2013. However, funding was not available until June 1, 2013. Currently, subcontractor drilling equipment is being used at wells R-28, R-42, and R-22. To utilize this equipment already on-site and to minimize mobilization/demobilization costs, DOE/LANS would like to move the drilling equipment consecutively from one project to the next. DOE/LANS request this extension under Section III.J.2 of the March 2005 Compliance Order on Consent.

If you have any questions, please contact John McCann at (505) 665-1091 (jmccann@lanl.gov) or Cheryl Rodriguez at (505) 665-5330 (cheryl.rodriguez@nnsa.doe.gov).

Sincerely,

Jeff Mousseau, Associate Director
Environmental Programs
Los Alamos National Laboratory

Sincerely,

Peter Maggiore, Assistant Manager
Environmental Projects Office
Los Alamos Field Office
