Subject: 15-Day Sampling Notification for Drilling Activities for Well CdV-R-63i

Dear Mr. Kieling:

On September 17, 2013, Los Alamos National Laboratory is scheduled to begin drilling well CdV-R-63i at Technical Area 16. Drilling activities are expected to last 2 months. Well construction is scheduled to be completed by November 29, 2013. The results of the drilling of this well will be presented in the well completion report, scheduled for submittal by April 30, 2014.

If you have any questions, please contact John McCann at (505) 665-1091 (jmccann@lanl.gov).

Sincerely,

Dave McInroy, Program Director
Environmental Programs - Corrective Actions Program
Los Alamos National Laboratory
