Subject: Request for Extension to Complete the Installation of Well R-26i

Dear Mr. Kieling:

This letter requests an extension from the May 31, 2014, date to complete the installation of well R-26i to a new date of December 31, 2014. The U.S. Department of Energy (DOE) and Los Alamos National Security, LLC (LANS) request this extension under Section III.J.2 of the March 2005 Compliance Order on Consent.

In its November 13, 2014, Request for Extension for Well Completion Summary Fact Sheet for Well R-26i, Los Alamos National Laboratory (the Laboratory) stated that it anticipated having to submit an additional request for extension of the June 30, 2014, date based on the New Mexico Environment Department's (NMED's) priorities, fiscal year 2014 funding constraints, and adequate time to complete the work.

Per discussions with NMED, DOE/LANS anticipate that before December 31, 2014, we will request an additional extension with a revised date to complete the installation of well R-26i based on NMED priorities and funding constraints.

If you have any questions, please contact Steve Paris at (505) 606-0915(smparis@lanl.gov) or Cheryl Rodriguez at (505) 665-5330 (cheryl.rodriguez@nnsa.doe.gov).

Sincerely,

Jeff Mousseau, Associate Director
Environmental Programs
Los Alamos National Laboratory

Sincerely,

Peter Maggiore, Assistant Manager
Environmental Projects Office
Los Alamos Field Office
