Dear Mr. Crossman:

As was discussed on October 19, 1988 with members of my staff, the Department of Energy (DOE) is requesting that the Environmental Improvement Division (EID) hold the Legal Notice and Fact Sheet for the closure of the Technical Area 16 landfill (Area P). This action is needed because funding for closure of the Area P landfill is proposed for FY 1990.

Please let me know if this is possible.

Sincerely,

  
Harold E. Valencia  
Area Manager
