Dear Elizabeth:

As per our telephone conversation of May 13, 1991, I am submitting this formal written request to view certain documents in the Environment Department's possession. The documents for which I am making this request are:

- Closure Plan for the Chemical Waste Landfill, White Sands Missile Range
- Closure Plan for the Helstaff Facility, White Sands Missile Range
- Closure Plan for the Technical Area 16 Surface Impoundment, Los Alamos National Laboratory.

I would like to view these documents in your offices. I may desire copies of portions of the above listed documents, if possible.

Please contact me at (505) 884-0669 or at the address below at your earliest convenience.

Thank you for your assistance.

Sincerely,

CDM Federal Programs Corporation

Paul A. Karas
