Dear Mr. Karas,

Your request of May 15, 1991 to review the documents listed below is granted.

1. Closure Plan for the Chemical Waste Landfill, White Sands Missile Range.
2. Closure Plan for the HELSTF Facility, White Sands Missile Range.
3. Closure Plan for the Technical Area 16 Surface Impoundment, Los Alamos National Laboratory.

Because of our very hectic office schedule, we request that you call ahead and identify a date and time for reviewing these files.

Thank you for your cooperation.

Sincerely,

Dr. A. Elizabeth Gordon
