Revision 2.0 of the RCRA Part B Permit Application for Technical Area 16 at Los Alamos National Laboratory, submitted to the New Mexico Environment Department in June 1995, was updated in April 1996. Replacement pages submitted in April 1996 are indicated with the following footer: TA-16 Replacement Pages

Revision 2.1

April 15, 1996

Two versions of replacement pages are provided with this document. One version uses sidebars and double underlining to indicate new or revised information and striking to indicate deleted information. The other version is clean text, which includes only the information that is sidebarred and double underlined in the sidebar/double underline/strikeout version.
