Santa Fe, NM 87502

SUBJECT: SAMPLING NOTIFICATION

Dear Mr. Young:

The Groundwater Investigations Focus Area will begin quarterly groundwater sampling of Regional Well CdV-15-3 on or about November 1, 2000 through November 15, 2000. Well CdV-15-3 is a Westbay monitoring system and each monitoring zone will be sampled and analyzed. Well CdV-15-3 was originally planned to be sampled by October 15, 2000, but was delayed. This sampling is being completed as part of the Laboratory's Corrective Measures Study Plan for Potential Release Site 16-021(c).

Samples will be collected as shown in the enclosed Table. If you have any questions or concerns please feel free to give me a call at (505) 667-0819.

Sincerely,

David McInroy
Environmental Restoration Project
