Subject: Draft TA-18 Mtg Agenda

Hi Kim: Attached is a draft agenda for the TA-18 meeting scheduled for Friday March 6 at 8:30 at the NMED conf. room. Feel free to add, subtract, or modify the agenda. Send a copy back when your done. I would really like to have an open discussion of the key technical issues for the site, so that, if appropriate, we can revamp the program at TA-18 under the Canyon Focus Area program.

Could you also take charge of getting your TA-18 representatives (i.e., Michael D., Bill S.) notified of the meeting.

Thanks. Talk to you soon.

- Danny
