Dear Mr. Honker:

Subject: Request for Extension: Submittal of Phase Report Addendum 1B and 1C, Operable Unit (OU) 1106 RCRA Facility Investigation (RFI) Report

The Department of Energy, Los Alamos Area Office (DOE/LAAO), is writing to request an extension for submitting the Phase Report Addendum 1B and 1C, OU 1106 RFI Report, which is currently due to your office by December 31, 1994. A thirty (30) day extension to this deadline is needed so that information and format recommendations received from Barbara Driscoll of your staff during meetings held at Los Alamos National Laboratory (LANL) on December 14, 1994, can be incorporated into the document. With your approval of this extension request, the document would be submitted to you for review no later than January 31, 1995.

Please let me know at your earliest convenience of your decision concerning this request. Should you have any questions, please contact me at (505) 665-7203, or Bonnie Koch at (505) 665-7202.

Sincerely,
T. J. Taylor
