**SUBJECT: Removal of Mixed Waste from TA-21**

Dear Mr. Muckelroy,

The purpose of this letter is to thank you for granting a thirty (30) day extension to the ninety (90) day accumulation time limit for TRU mixed waste generated during decommissioning activities at TA-21-146-324, and to inform you that 13 containers (5 drums and 8 standard waste boxes) of TRU mixed waste were moved to the on-site TA-54 location at 5:30 a.m. on Wednesday May 8, 1996.

Reference DOE-LAAO letters to your office dated April 2 and 9, 1996 and your April 10, 1996 letter to Mr. Vozella, DOE-LAAO, granting the thirty (30) day extension.

Should you have any questions, please contact Mr. Plum at (505) 665-5042.

Sincerely,

Joseph C. Vozella,  
Assistant Area Manager for Environment and Projects
