**Re: Extension Request for RFI Report MDA V  
Los Alamos National Laboratory (NM0890010515)**

Dear Mr. Garcia:

The Environmental Protection Agency has reviewed and recommends approval of an extension of 60 days from June 17, 1996, for submittal of the RFI Report on Solid Waste Management Unit 21-018. The extension is required due to additional sampling and analysis conducted at the site which should result in a better RFI Report.

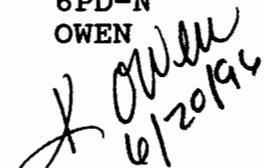

Should you have any questions, please feel free to contact Ms. Barbara Driscoll at (214) 665-7441.

Sincerely,

  
David W. Neleigh, Chief  
New Mexico and Federal  
Facilities Section
