Subject: Extension Confirmation for PRS 21-024(i)

John,

This is to confirm that per your phone message left on Thursday, July 23, 1998, an extension has been granted for the Request for Supplemental Information concerning the Interim Action Plan for Potential Release Site 24-024(i). The response will be delivered to the Hazardous and Radioactive Materials Bureau no later than Friday, July 31, 1998. If there are any questions please contact Jeff Walterscheid at 667-9551. Thank you for your quick response in dealing with this matter.

Sincerely,

Dave McInroy
