

ENTERED

Date: 09/26/01		Time: 3:40 p.m.	Recorded By: D. McInroy
To: John Young <i>JY</i>		From: D. McInroy <i>DM</i>	Telephone No.: 667-0819
Affiliation: NMED-HWB			
Other Parties: Dan Holmquist, Paula Bertino, and John Hopkins (LANL ER), and Woody Woodworth (DOE-AL)			
Discussion: This communication record documents the telephone conversation between John Young of NMED-HWB and myself on September 26, 2001 regarding LANL's submittal of the "Phase II RFI Report for Potential Release Site 21-029, DP Tank Farm" and the VCA Report for septic tank 54-007(c)-99 to NMED-HWB. The Annual Work Schedule and a NMED-HWB letter dated April 25, 2001, require both of these reports to be delivered on September 30, 2001 to NMED. Since this date falls on a Sunday, NMED-HWB has agreed to accept delivery before 8:00 am, on Monday, October 1, 2001.			
Action Items: Deliver communication record for John Young to initial and distribute for the record. Deliver the Phase II RFI Report for PRS 21-029, DP Tank Farm and VCA Report for TA-54 septic tank before 8:00 am, Monday morning, October 1, 2001, in order to meet the required submittal date.			
Attachments: None
