Dear Messrs. Gregory and McInroy:

In a letter dated September 28, 2006, the New Mexico Environment Department (NMED) mistakenly granted a Certificate of Completion (COC) for solid waste management unit (SWMU) 21-022(f), a sump located outside the Material Disposal Area (MDA) U fenced area. This SWMU was not addressed as part of the investigation for MDA U. Rather, it is included in the investigation for the DP Site Aggregate Area. SWMU 21-022(f) is currently undergoing investigation/corrective action and, therefore, should not be granted a COC at this time.

NMED hereby rescinds the COC for SWMU 21-022(f).
