Good morning Bruce-

I received your call on Monday (10/20/08) morning regarding MDA-T. Sorry I have not gotten back to you sooner. I have been tied up the last couple of days with LANL permit negotiations.

I think the best thing for you to do is send me an email outlining the issues that you have or the presumed areas of miscommunication you spoke of in your phone call. We will review it and determine if a meeting is required.

As a reminder, NMED expects the work that the October 20, 2008 letter indicates to be carried out.

I will wait to hear from you by email if you deem it necessary. Thanks Bruce.
