Subject: RE: DP Site Aggregate Area Phase II Investigation Report Outline

Mark,

NMED concurs with the proposed outline for the DP Site Aggregate Area Phase II IR. However, following review of the Phase II IR, NMED may conclude that additional sections are necessary to fulfill the requirements of the Order.

Please let me know if you have any questions.

Katie

Subject: DP Site Aggregate Area Phase II Investigation Report Outline

Katie, attached is the outline for the DP Site Aggregate Area Phase II Investigation Report, it follows the order and does not contain the data analyses appendix. The results of the Phase II investigations will be discussed in the body of the report. The risk screening assessments (Appendix I) will utilize the data from both Phase I and Phase II.
