**SUBJECT: REQUEST FOR EXTENSION ON TECHNICAL AREA (TA) 32
RESOURCE CONSERVATION AND RECOVERY ACT FACILITY
INVESTIGATION (RFI) REPORT AND PHASE II SAMPLING PLAN**

Dear Ms. Driscoll:

While writing and compiling the TA-32 RFI Report, additional information was obtained which will delay completion of the report. Engineering drawings have been found revealing additional septic lines and outfalls at the site.

We would like to incorporate this new information in the RFI Report and the Phase II Sampling Plan. For this reason, we are requesting an extension for this report and would like to send it to the Environmental Protection Agency for review by June 30th.

If you have any questions or concerns with regard to this letter, please call Bonnie Koch at (505) 665-7202 or Garry Allen at (505) 667-3394.

Sincerely,

Sincerely,

Brad Martin
